

2 Step - 3 Step Plastic Frames - NEW!

2 Step

**FREE Paper Proofs
on all orders**

3 Step
Includes Painted
Background Color

In creating the Two and Three Step Frames, we've incorporated our low cost die charges with our decorating abilities to create a domestic metal looking plastic frame. Both styles have a full face, brushed aluminum hot stamp, the Two Step has any copy color of choice while the Three

Step has any background color of choice along with any copy color of choice...quick production...low price. All colors are available for background color on the 3 Step Frame. Free paper proofs with all orders, no additional charge for custom letter styles or logos. Please allow four weeks on initial orders and three weeks on reorders.
